Sexual Health Education
Instruction Information
Parental Rights

• Parents/guardians have the right to opt their students out of any and all instruction in comprehensive sexual health education.

• Parents/guardians will have an opportunity to consult with KFSD during the adoption of any comprehensive sexual health education curriculum.

• Parents/guardians will be notified at the beginning of the school year when their child’s school will be providing sexual health education instruction.

• Parents/guardians will have the opportunity to review the sexual health education material.
K-3 Expectations
(required in 2022-2023 SY)

• Social and Emotional Learning (there is no sexual health content required)
  • Self Awareness
    • Identify their emotions, personal assets, areas for growth, and potential external resources and supports
  • Self Management
    • Regulate emotions, thoughts, and behaviors
  • Self Efficacy
    • Motivate themselves, persevere, and see themselves as capable
  • Self Awareness
    • Consider the perspectives of and empathize with others from diverse backgrounds and cultures
K-3 Expectations cont.
(required in 2022-2023 SY)

• Social and emotional (there is no sexual health content required)
  • Social Awareness
    • Consider the perspective of and empathize with others from diverse backgrounds and cultures
  • Social Management
    • Make safe and constructive choices about personal behavior and social interactions
  • Social Engagement
    • Consider others and show a desire to contribute to the well-being of the school and community
4th-5th Grade Expectations
(required in 2022-2023 SY)

• At least once between grades 4-5, provide instruction on human growth and development (puberty)
  • Typically, this is done in 5th grade
6th-12th Grade Expectations
(required in 2021-2022 SY)

• At least twice between grades 6-8 and twice between grades 9-12, provide instruction on comprehensive sexual health education
  • In order to meet the “twice” requirement, students need to appropriately work through the material at two different times in those grade bands
  • Instruction must include age appropriate information about affirmative consent and bystander training.
• KFMS is considering adding a health class that could include these materials in an age appropriate manner
• KFHS could incorporate this into their already established health class
